DECIDE ON TRIAL

Attorney Given Until Next
Wednesday to File Motion

Justice DeCoursey of the Supreme Judicial Court today set December 3 as the date on which counsel for the Boston Bar Association might appear before him and ask for the setting of a definite day for the trial of Daniel H. Coakley whose disbarment for alleged professional misconduct is being sought.

Justice DeCoursey made this ruling when Cookley failed to appear to argue a preliminary motion in his case and a man from his office explained that he was confined to his house by a sprained ankle.

Cookley was given until next Wednesday to file a motion for specifications and until next Saturday to file his formal answer to the charges against him.

The accused attorney was to have

When Coakley's name was called, W. Minto Hurd of his office explained that he had suffered an injury to his leg while on duty in the court. Coakley had not understood that it was to be in court today.

DODGE CRAGGED.
Attorney Robert G. Dodge, of counsel for the Bar Association, who presented the case to argue against Coakley's motion, said that the case would take too much time being argued by delays.

Hurd then left the room and apparently called Coakley on the telephone, for when they returned they announced that he was not coming to court today.

Attorney Dodge showed much patience and a desire to join issue in the case as soon as possible. When the court adjourned today at 12:30 Wednesday to file his motion, Dodge

ing specifications from the Bar Association, Dodge said the prosecution was ready to furnish those specifications at once, without a formal demand.

But the court ruled that there was no precedent for such a motion and they must wait for the motion.

Coakley, according to friends, injured his ankle several nights ago while alighting from an automobile and the accident brought a recurrence of an old injury to the same member.

CORCORAN'S CASE ALSO.

He has been quietly resting

home, according to these informants.
Attorney-General J. Weston Allen
was in the court room when the
Coakley case was called, but did not
appear.

CLAIMS AGAINST VESSEL TOTAL \$47,349.73

Companies in Suit Demand
That Sao Vicente Be Sold
to Settle Case

Two action of contract suits, totaling \$47,349.73, were filed in the Federal Court against the steamship Sao Vicente by New York companies who are seeking the amount of money through the Federal Court for money advanced, expenses incurred, repairs and coal delivered to the steamship.

One of the suits was filed by C. R. Richard & Company of New York, who seek \$23,944.73 for money advanced on account, for expenses incurred repairing the steamship, wharfage and supplying coal and other supplies to the steamship. According to the suit these debts were contracted in July, August and September last.

A further claim for money due C. R. Richard & Company was incorporated in the original suit, this being \$2,394 which the Richard Company contends is due them for releasing the Sao Vicente which was stranded in Buzzards Bay last February.

The other suit filed against the steamship was brought by the Macgregor Company of New York, who are seeking through the Federal Court payment of \$23,944.73 alleged to be due them for delivering 1,422 tons of coal valued at \$5,445, together with an added expense of \$8 for coalgrains, the total claim being \$23,952.73. The suit was delivered December 12, 1922.

These bringing the suits allege that they have demanded payment of the money due them but that it has been refused. In their suits the New York companies ask that the court condemn and sell the steamship Sao Vicente to satisfy the claim. The steamship is now at New Bedford.

AUTOIST ADMITS DRUNK CHARGE; APPEALS FINE

Providence, Nov. 18.—After admitting that he was driving his automobile while drunk and pleading guilty to that charge when arraigned in the Sixth District Court, Thomas J. Byrne, thirty-nine years old, of No. 14 Portland place, was fined \$100 and costs and sentenced to serve ten days in jail by Judge Gorman. He was also found guilty of driving with out having an operator's license and was fined \$50 and costs.

He took an appeal in each case and was held in the sun of his. He was arrested after his automobile had crashed into a trolley car at Smith and Orms streets.

PORTLAND CANDY MEN WILL SELL FOOD

Portland, Me., Nov. 18.—Many local cigar and confectionery stores plan to have sandwiches and doughnuts on sale in their places this Sunday in order to counteract the sweeping order of Chief Wats last Sunday, which closed their establishments. These dealers contend that the victuallers' licenses issued to them by the city entitles them to this privilege. They argue that their places should be immune from any closing order if they sell foodstuffs.

LEMON IN YOUR TEA?

A great many people prefer to drink tea with a slice of lemon in place of cream. Probably very few are aware of the origin of the custom.

In the fourth or fifth centuries, tea was a favorite beverage in China. The leaves were steamed, crushed in a mortar, made into a cake, and boiled together with rice, ginger, milk, orange peel, spices, milk and sometimes with lemon!

Whether you prefer your tea with or without either lemon or cream, you want the best tea obtainable. Say "Lipton's Yellow Label" to your grocer—and you'll get it.

Lipton's Yellow Label is not alone Lipton's Best, it is the finest tea the world produces—and costs no more than ordinary grades. Ask your grocer for Lipton's Yellow Label Tea. If he does not sell it, send us his name and address and we will mail you a FREE sample and give you the name of a grocer who can supply you. Thomas J. Lipton, Inc., Hoboken, N. J.

GO THOUSANDS OF MILES TO FIND WORK

Former Boston Beauty
Bride of Cincinnati
Business Man

Exhausted from a weary hike of thousands of miles that began on May 2 when both left their home near Montreal to look for work, Archibald Plant, 42 years old, and his son Leo, 18 years old, of St. Nicholas, Can., wandered this police station No. 2 and asked for a place to rest.

When they lost their jobs, they said Mrs. Plant, the wife and mother, died. The two men then sold their household goods and started out on a cross-country search for work. A long list of cities and towns they had visited then followed. First they went to New York. Then they came back through Connecticut where at Bridgeport they secured an automobile ride to a small New Hampshire town. Unable to find work there, they proceeded down through Worcester and Fitchburg to Hartford, Ct. still without obtaining employment. Then they headed back through Massachusetts to New Hampshire, crossing the border and going up to Montreal and Quebec. Leaving Canada again, the two wandered down through Maine, finally winding up in Boston.

Identical Allen sent out for food for the half-starved pair. Then a friend, a manager of a lunch room, came in. Allen explained the plight of father and son. The friend promised a job for the father beginning tomorrow, and a probable position for the son.

So the long hike is ended.

GROWING DEAF WITH HEAD-NOISES? TRY THIS
If you are growing deaf and hear faint noises or if you have ringing, rumbling, hissing noises in your ears go to your druggist and get a bottle of Scott's Emulsion (double strength), and add to it a pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will bring quick relief from the distressing head noises. Sufferers should open their breathers, and breathe fresh air, and stop dropping into the throat. It is easy to get a cure. Anyone who is threatened with deafness should get this prescription at once.

Attorney Charles H. Morris, manager of the Murphy campaign, today expressed delight at the interest shown in Mr. Murphy's rallies by the women. One of the big rallies in Brighton last night was presided over by a woman and four of the ten speakers were women.

Doctor at 82 Finds Mothers Prefer His Formula to New-Fangled Salts And Coal Tar Remedies for Babies
Judgment of 1892 vindicated by world's approval of Dr. Caldwell's Syrup Pepsin, a simple vegetable compound for constipation—So safe thousands give it to babies in arms—Now has largest sale in the world.

WHEN a man is in the 82d year of his age, as I am, there are certain things he has learned that only time can teach him. The basis of treating sickness, has not changed since I left Medical College in 1870, nor since I placed on the market the laxative prescription I had used in my practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin.

Then the treatment of constipation, indigestion, sour stomach, and other indispositions that result from constipation, by means of simple vegetable laxatives, herbs and roots. These are still the basis of my Dr. Caldwell's Syrup Pepsin, which is a combination of Egyptian Senna and other mild laxative herbs with pepsin.

Recently new medicines have been brought out for constipation that contain calomel, which is mercury, salts of various kinds, minerals, and coal tar. These are all drastic purges, many of them dangerous, and the medical profession is warning the public against them. Certain coal tar products will depress the heart, certain salts give rise to intestinal poisoning, irritation and rupture of the intestines. If grown people want to use them, they should be given to children.

The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of the family. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with pills and powders and strong drugs, even if disguised in candy? My remedy, too, costs less than most others, only about a cent a dose. A bottle such as you can find in any drug store, will last a family several months, and allow use of it. It is good for the baby in every respect, pleasant to the taste, gentle in action, and free from narcotics. In the proper dose, given in the directions, it is equally effective at all ages. Elderly people will find it especially ideal.

The formula of Dr. Caldwell's Syrup Pepsin is on the cover of every bottle, and the ingredients have the endorsement of the U. S. Pharmacopoeia.

In remembrance of my 82d birthday I have set aside the sum of Ten Thousand Dollars to be given away in half-ounce bottles of my Syrup Pepsin. Only one Free bottle to a family. All the companies now and then, and there is an opportunity for you and others to Dr. Caldwell's Syrup Pepsin FREE OF CHARGE. Ask for your free bottle today, simply sending name and address to Dr. W. B. Caldwell, 514 Washington St., Menasha, Ill. Do not postpone this.

10,000 Worth of Syrup Pepsin Free

LIVED TOGETHER 2 MONTHS.
After their marriage on the 17th of March of last year, Mrs. Grace Murphy Winslow, who was then a resident of Worcester, where young Winslow introduced his bride to his father, who is head of the Winslow Ice House Manufacturing Company and reputed to be extremely wealthy.
The girl did not discuss this meeting. Common report has had it that the exclusive, fashionable Winslow family was not altogether pleased when a girl from the vaudeville stage was brought into its midst. But no hint as to the truth of these rumors was found in her testimony.
A scant two months after their marriage, she said, she proposed that they move to New York to live. Her husband refused, she said, and went instead to Boston, leaving her alone in Worcester. She immediately went to her mother's home in New York, where she continued, and wired Winslow to meet her there. He never answered the wire, she added, and they never again lived together.
IS NOW PHONE OPERATOR.
The girl's story was corroborated by her sister, Mrs. Ruth Palmer of New York, and Miss Alice (sister of Winslow's) who said she had said that she is now employed as a telephone operator in New York.
Winslow was not in court. His brother, John J. Winslow, Jr., appeared to testify that he had been given with a copy of the divorce files.

Imitation--What Crimes Are Committed in Thy Name?

Of course imitation is sincerest flattery, so the old adage goes. Summerfield windows can be copied—Summerfield Advertising can be poached upon—the general appearance of the interior of the Summerfield store can be imitated, but the great basic structure of this enormous business, founded upon the bed-rock of value, can never be touched. Value can only be given in the Summerfield proportion when the volume of business reaches the tremendous amount done by this store every year. The lesson to the public in furniture buying is one that has been successfully taught by this store. From the first day the term "Dignified" credit, accompanied hand in hand with value, made its appearance in Boston, the furniture buying public were on a safe, conservative plane where they were certain of One Hundred cents' worth of value for every dollar expended. The secret of this business is like an open book. It is the value we give you when you walk into this store tomorrow that will make you a life-long friend and poster for this Summerfield institution.

Every man, woman and child addicted to pills and cathartics for constipation should know that Kellogg's Bran, soaked and kneaded, will give permanent relief naturally if they will eat it regularly. Pills and cathartics never do more than give temporary relief, and at the same time they aggravate the delicate intestinal pathway and pave the way for greater disorders.

Kellogg's Bran, soaked and kneaded, is simply nature's food, and made delicious and appetizing by the cooking process. But it is a very satisfying cereal or sprinkle it on your favorite cereal or in other food.

Your physician will inform the constant use of bran for constipation. We guarantee that Kellogg's Bran will give permanent relief to every sufferer from constipation if at least two tablespoons are eaten each day. For chronic cases, not so much is necessary.

Kellogg's Bran swarms and cleanses without discomfort. Its natural mechanical action is wonderful. Ninety-nine of all human ailments would be eliminated and there would be a new and better race of people if bran was universally eaten daily.

Kellogg's Bran can be used in many delightful foods such as bran bread, pudding (the best you ever ate), macaroni, etc. See recipes on each package.

It is—Kellogg's Bran will clear up a simply completed and free the brain from obnoxious intestinal about!

‘STAY N OPEN,’ GERARD'S WORD TO HUGHES

Former Ambassador Says Publicity Will Drive Out Slimy Snake of Intrigue

By James W. Gerard, Former Ambassador to Germany, December 18, 1921

Washington, Nov. 18.—It is to be hoped Secretary Hughes will not lose sight of the immense advantage given him by the open methods initiated at the first session of the conference.

The bright light of publicity will drive out the slimy snake of intrigue and self-interest. We want Hughes to be open and others to whom we have not the same confidence, behind closed doors.

The questions before the conference are to be decided by great people who have as much right to hear the discussions affecting their future, their lives and their fortunes and those of their children and children's children as we have to public sessions of the courts—and it has long been considered in every land that publicity in court procedure spells justice.

Star chamber methods prevailed at Versailles. Let us have light in Washington.

An Agreement Seems to Be Certain Now

Secretary Hughes' proposition is accepted in principle by Britain and Japan. Now comes the answering criticism of the proposed amendments. Will these nullify the original plan? Probably not. We take it as settled there is to be some agreement for a holiday in naval construction.

Meanwhile, and while delegations of America, Great Britain and Japan prepare propositions for the solution of the questions of the Far East, the French delegates are at work on the problem of how they can best introduce their demands before the conference. These demands are bound up with the question of Germany.

Personally I think that the intensity placed on Germany is far beyond the power to pay of that country.

France had nothing, has nothing, to fear from the kind of government now in power, or rather in office in Berlin—that government is not militaristic and I believe that under such a government Germany would gradually be liberalized and become in thought and in political feeling somewhat like our own United States.

But a people, however industrious, however disciplined, may be subverted by national ruin, by the prospect of for years paying great annual tribute to another nation, like the slave nations depicted on the bas-reliefs erected by Assyrian conquerors.

The tearing away of part of German Bismarck has given the militarists of the old system a megaton to hang their helmets—an excuse to stir up hatred, revenge and the spirit of war.

The British, on the contrary, showed a more forgiving as well as a more diplomatic spirit. They were against the partition of Bismarck and it is the French who are today the nation most hated in Germany.

Cannot Mix in European Alliance

We have great admiration, a great sympathy for France, but it is our traditional policy not to make European alliances and in view of the irritation of Germany by certain French statements, our people will probably in no unreasonable manner indicate that it is not our affair to ally ourselves with France against Germany, whether under the guise of an agreement or “protection” or otherwise. Nor do I think that another proposition, which the French delegation may possibly advance will meet with favor.

France having placed too great an intensity on the back of Germany and finding that Germany cannot pay, may offer to remit part of an indemnity which it is now plain cannot be collected providing we remit the debt which France owes us. Here again it is probable that our people will feel that our fortunes are not so bound up with Germany that our policy with regard to the debt owed us by France should be governed by the policy of France toward Germany.

By BETTY ALDEN.

THIS week-end naturally brings with it a horde of festivities centering about the ever-interesting gridiron battle which will be staged tomorrow in the Stadium.

The committee in charge of the ball this evening at the Copley-Plaza for the benefit of Hale House Settlement have chosen this date wisely. Likewise, those in charge are keeping the ball an ultra-exclusive affair, and only those to whom the coveted invitations have been sent will be admitted as "among those present." The group of men and women responsible for the dance, and also for the issuing of invitations, are Mrs. Oliver Ames, Jr. (Christine Prudden), Mrs. William E. Jones, Mrs. Helen L. Riney, Mrs. Alfred H. Wald, Mrs. Curtis G. Wood, Mrs. Alice Bremer, William G. Perry, E. C. Pitt, Thomas G. Seal, Jr., and Alexander Winsor.

As the ball stands out importantly upon the social calendar—those who have that number of "Gals" have been looking forward to the event with an ultra-careful eye to the attire which they will don for the occasion—many hostesses of the event will enter into this dinner this evening, and among this number are Mrs. Alfred H. Wald, Mrs. Frederick J. Bradley, who has two sons at Harvard; Mrs. Churchill Satterlee, Mrs. William A. Pope, Mrs. Richard C. Slater, Mrs. W. A. L. Baskley, Mrs. Hugh D. Root, Mrs. N. Peabody Halliwell, Mrs. E. H. Prudden and Mrs. Huntington Walcott. A careful perusal of the above list will reveal the fact that several of these matrons are mothers of debutantes. The Hale House ball, one presumes, is to be regarded as especially significant for the "fast set" contingent, particularly when exclusiveness is to strike the keynote of the social scene.

The list of patronesses for this evening's affair is properly distinguished—the last word in refinement, so to speak. I note that the following matrons have lent their imposing names to the event: Misses Gordon Abbott, Charles F. Adams, 2nd, Mrs. Andrew Ades, Mrs. Bryce Allan, Mrs. Oliver Ames, Jr., Mrs. Louis Bacon, Mrs. Frederick O. Burton, Mrs. Walter C. Baylies, Mrs. Thomas P. Seal, Jr., Mrs. J. A. Lowell, Blake, Mrs. Thomas S. Blumer, Mrs. Edward E. Brundage, Mrs. Gertrude Brown, Mrs. S. Parker Bremer, Mrs. Theodore G. Bremer, Mrs. T. Nicholas Brown, Mrs. W. W. Watson Brown, Mrs. Harold J. Coddington, Mrs. T. Jefferson Coddington, Mrs. T. U. Courtney, Mrs. Channing Cox, Mrs. S. V. H. Crosby, Mrs. Charles K. Cummings, Mrs. Charles P. Curtis, Mrs. Thomas P. Curtis, Mrs. Philip S. Dalton, Mrs. Everett Dean, Mrs. Philip S. Sears, Mrs. Richard D. Sears, Mrs. Quincy A. Shaw, Jr., Mrs. E. Paul Seeling, Mrs. Fulton Stockton, Mrs. Helen L. Stone, Mrs. Richard C. Strong, Mrs. E. Watson Hargis, Mrs. Bayard Thayer, Mrs. Nathaniel Thayer, Mrs. Randolph Tucker, Mrs. Bayard Tuckerman, Jr., Mrs. Bayard Warren, Mrs. Fiske Warren, Mrs. Samuel D. Warren, Mrs. Edwin S. Webster, Mrs. Alfred Rodman Wald, Mrs. Charles C. Wood, Mrs. Lewis M. Wood, Mrs. George S. Wood, Mrs. H. H. Whitcomb, Mrs. Frederick S. Whitcomb, Mrs. George S. Winslow, Mrs. Alexander Winsor, Mrs. Kenneth Winsor, Mrs. R. H. Wolcott, Mrs. Loring Young.

Those who have boxes for the evening are Mrs. C. P. Adams, 2d, Mrs. W. A. L. Baskley, Mr. Thomas P. Seal, Mrs. E. D. Brundage, Mrs. H. J. Coddington, Mrs. C. V. R. Crosby, Mrs. W. Arthur Dwyer, Mrs. E. H. Prudden, Mrs. William A. Gorton, Mrs. John W. Halliwell, Mrs. N. Peabody Halliwell, Mrs. H. P. King, Mr. Arthur W. Mark, Mrs. D. R. Mumford, Mrs. Hugh Root, Mrs. Q. A. Shaw, Jr., Mrs. Helen L. Stone, Mrs. E. S. Webster, Mrs. Alfred R. Wald, Mrs. C. O. Wald, Mrs. Frederick S. Walcott, Mrs. Robert Winsor, Jr.

The Copley-Plaza orchestra is to furnish the music. Boston society did not lack representation at the brilliant dinner and reception which the French Ambassador and Miss Jusserand featured in honor of Mr. Brind, Premier of France, and Miss Viviani and M. Albert Sarraut of the French delegation.

Among the guests who assembled around the dinner table in the beautifully proportioned dining room of the French Embassy were Augustus Peabody Gardner and Mrs. Robert S. Peabody, both well known in the Hub. Other guests included Secretaries of State and Mrs. Hughes, Senator Henry Cabot Lodge, Elling Root, Marshall Poeh, Senator Moffat, McCortright and Mr. and Mrs. Robert Woods Bliss.

For the reception which followed a much larger company assembled, and Mrs. Prudden presided over the evening. The members of the French mission, the members of Marshall Poeh's staff and the mission of General Dupont, who is in this country to attend a meeting of the Inter-Allied Board of Supplies. series of hostesses in connection with the amusement conference. The Embassy drawing-rooms were marvelously decorated with flowers, and the sight of so many staid-looking women mingled with the military and diplomatic uniforms of the more continental present, was very impressive.

Mrs. Houghton O. Metcalf of Providence, R. I., who formerly was Miss Katherine Herrick of Milton, was one of the sources at an important debutante presentation given recently in Providence, when Mrs. William C. West was introduced at a reception given by her parents, Mr. and Mrs. Thomas H. West, Jr., at their residence on Prospect street.

A large number of society matrons are acting as patronesses for the event to which members of the Harvard and Yale Clubs have been invited, following their joint concert in Sanders Theatre.

Retail Methods Revolutionized by The Arthur Wallace IDEA

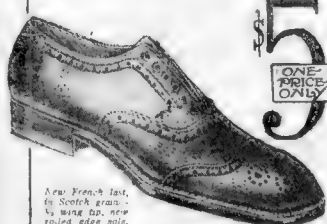

GENTLEMEN--To produce a sufficient volume of business to make this store a success it is absolutely necessary for me to sell only a high quality, dependable line at the smallest margin of profit--Volume is now the standard by which you know it and I know it, and to produce the greatest volume of men's shoe business in this I am prepared to offer you the greatest value in shoes that has ever been in the history of shoe retailing in the United States.

THIS store is equipped to do a million dollars' worth of men's shoe business the first year—And I confidently expect to do it if the intelligent men of this community will respond to an intelligent appeal to their business sense. All I ask a man to do is to compare my shoes at Five Dollars with values for which he would expect to pay from eight to Ten.

Arthur Wallace
